"it's really fun and captured those special moments throughout the day."

"You've captured the essence of our day including the emotion, the fun, the laughter and the silliness"

If you are looking for a more than just a record of the wedding, something to make you part of the wedding day again, laugh, cry and artistic flair, then look further place.

After Months or years of planning, you will want the absolute best when it comes to your wedding day, something to be able remember the day for years to come. We can be there to capture the elegance you worked so hard to accomplish. The wedding film can be one of the least expensive items on the day and is something that will still be with you in years to come.

To capture the magic of your crowning moment, for you to enjoy long after the memories of the day have faded. We are at your wedding to capture the action, the buzz and the atmosphere of your big day, to pick up all those little things that can easily pass you by on the day. The guests outside the church, the reception, table layouts, the line-up. It is the perfect record of your special day.

We have been producing video's, in the heart of the wedding Film business since the 1980's. This means that our vast experience of over hundreds of weddings and expertise can be applied to your wedding day, giving you the confidence and peace of mind, which you will value on the day. Our special personal service is to bring to you our ultimate wedding DVD.

We listen to and discuss your requirements , to produce a DVD that is just for you. We can be un-obtrusive as you like or more up front the choice is always yours. The idea is to blend in with the wedding party and to capture the personalities and the atmosphere of the day. All filming is carried out using professional equipment. The sound, which is just as important as the picture, a fact often overlooked, try watching an action movie without the sound, to this end we use radio microphones. This means that we can pick up the speeches and the service without being two feet away from you. You won't feel like you're 'eating the camera all day!

Once we have filmed your wedding day, and your day is over it is time to work our magic for you . Editing is regarded by us, as just as important as the filming of the day and this normally takes another three to four days to complete. Music of your choice is added, along with photograph montage and any visual effects are added to make your video truly special. What is more, because we film and edit you get that personal wedding DVD that is uniquely yours. We can even put the highlights on your Ipod, phone or the web to show your friends.

Now you have learnt a bit about us and have read about what we can do for you, why not give us a ring and find out more. We will be more than happy to answer any questions or queries that you might have. We offer a 'no obligation' free demonstration service where you can get to view a real wedding DVD.
